UNDERGROUND MENU

MUNCH

WORLD * FOOD * CRAFT

Since our inception, Benjie's Munch has created over 300 menu items. Unfortunately, we can't keep them all on the menu at one time. Here are a few of our Muncher's favorite items that you can ask us to re-create for you at our restaurant from our secret menu.

Munch On! Chef Benjie

These sandwiches, burgers, and grilled cheeses come with a small side of chips.
